

Book Team Research Option and Resources

Additional Research Option 1

This link below reveals that there are 29 books listed locally that “teach children about sex”.
Wondering...What message do they carry? Would we recommend them or not?
Do we want to research these further?

Visiting a library I was surprised by the number of books for children on witches and witchcraft. Here is a link to the top 100! Might we want to inform parents of that as well?

Additional Resources & Info

This video shows why this work on behalf of children and families is so important and relevant.
